**Return Policy**

You may return any **unused** item(s) within 45 days for an exchange or refund. Clearly indicate on your invoice if you are returning or exchanging. If exchanging, clearly indicate the product you wish to exchange for. In the event of a returned purchase, Up North Sports will refund the cost of the item but not the original shipping charge. In order to qualify for a full refund the item must be returned in original condition with the original packaging intact and any tags or protective materials still attached. Any item returned with the tags removed or original packaging not useable will incur a 20% restocking fee.

When returning an item, please use the original shipping carton and pack the item(s) securely. Do Not use the Manufacturer's packaging for a shipping box. Enclose the invoice with an explanation for the return or exchange. Ship the package prepaid as we do not except returned items COD. We recommend shipping your package by a traceable method as we are not responsible for lost packages. FREE items received with the original order are to be included with your return. If you choose to keep the free item your refund will be reduced by the unreturned item's retail price.

Any item returned in a damaged condition will be reviewed by Up North Sports to determine how the damage occurred. If it is determined that the damage was caused by the shipper Up North Sports will work with the shipper to recover the costs of the damage. If it is determined that the damage was caused by the purchaser then the cost of the damage will be the responsibility of the original purchaser. Causes for damage may include improper packaging, improper handling, alteration of the item, etc. A reasonable value of the damage will be determined by Up North Sports and that value will be recovered from either the shipper or the customer.

Every effort has been made to ensure accuracy. However inadvertent errors can occur & we reserve the right to modify without notice.
