LEGENDARY SLEDS & SHELTERS

#201368

**1200 MAX LUMEN**

## **XTREME DUTY PRO UNIVERSAL LED LIGHT KIT**

**WORKS WITH ANY HUB OR FLIP-STYLE SHELTER**

### **BRIGHTNESS AND CONTROL**

Two xtreme duty rubber encased flat back light strips offer a maximum 1200 lumens of brightness that is controlled with an in-line dimmer dial that ensures you have the exact amount of light in any situation.

### **UNIVERSAL MOUNTING**

The 2 attachment options allow you to place the lights exactly where you need them, in any HUB or flip-style shelter.

### **VERSATILITY**

Connects to any 12 volt battery with supplied alligator clips and an extra-long power cord. Additional 54" in-line power cord with quick release connectors is provided for added light placement options.

Maximum of 6 light strips hooked together.

### **INCLUDES**
