 Notice Regarding Open-Box and Pre-Owned Devices: If you purchased an open-box or pre-owned device, please be advised that Cellular Sales has in place various policies and procedures to ensure that it has been reset to factory settings and properly cleansed of all data such as pictures and videos. However, the intricacies of certain devices may inhibit, in some instances, all data from being properly deleted. **THIS IS A RISK THAT YOU ASSUME WHEN PURCHASING AN OPEN-BOX OR PRE-OWNED DEVICE.** Should you discover data on your open-box or pre-owned device, please return it to your nearest Cellular Sales location, and we will be happy to delete any remaining data.
 Notice Regarding Data Transfer: If requested, Cellular Sales is pleased to assist you with the transfer of data (contacts, pictures, etc.) from your old device to your new device. Please be advised, however, that the transfer of data can be problematic and data may be lost in the process. **YOU ASSUME ALL RISK THAT DATA MAY BE LOST OR NOT TRANSFERRED TO THE NEW DEVICE.** Accordingly, following the data transfer, you are encouraged to confirm that all data was transferred correctly.

Notice Regarding Trade-Ins: Trade-Ins are FINAL at the time of the trade-in, and the traded-in device CANNOT BE RETURNED to you even if you return your new device within the Worry Free Period. You are responsible for deleting all data (contacts, pictures, etc.), and Cellular Sales assumes no responsibility in the event non-deleted data is accessed.

To be eligible for any offer, trade-in devices must be unlocked and in good working and cosmetic condition and are otherwise subject to the Verizon Device Trade-In Program Terms and Conditions found here: <https://www.verizon.com/support/device-trade-in-program-legal/>.

If a "Promotional Value Applied" is shown below, you will receive the Total Device Trade-In Value in the form of a monthly credit applied to your Verizon account (each, a "Promo Credit") beginning not later than the second billing cycle following the trade-in. The amount of each Promo Credit will be equal to the Total Device Trade-In Value divided by 36 which is the number of months in the term of your Device Payment Agreement ("DPA") with Verizon. Promo Credits will stop if you (i) cancel your service on a line that is getting a promotion, by porting to another carrier or otherwise, in which case you will also be required to pay the remaining balance due on your DPA; (ii) pay off your DPA early; (iii) do an early upgrade on the line receiving the Promo
