Agreements (View full agreement at vzw.com/myverizon)

Customer agreement

I have read and agree to the Verizon Wireless Customer Agreement and Verizon Privacy Policy, including settlement of dispute by arbitration instead of jury trial, as well as the terms of my plan and any optional services I have agreed to purchase.

Device payment agreement

Notice to Buyer: This is a Retail Installment Sale Agreement(s)/Security Agreement(s), not a lease. Do not accept if it contains spaces. You have a right to a copy of this Agreement(s), keep it to protect your rights. You may pay off the full amount anytime. Please review the entire Agreement(s), including the additional Notice to Buyer provisions before accepting.

I authorize Verizon to obtain my credit report information in connection with this order. I understand that this check will appear on my credit report as a soft inquiry and will not impact my credit.

Device trade-in

In some states, recycle credit reduces the tax base.

Amount tendered: \$0.00/ This payment: \$0.00

Trade-in device transactions are final and devices cannot be returned. If

you received promo value when trading in a device and or instant device

savings, you will be charged for that value if you do not maintain active service for three billing cycles.

Verizon will also adjust any promotional Trade-in value if you return or

exchange your promotional device for an ineligible device.

Promotional

trade in credits issued over 24 months and will appear in 1-2 bill cycles

after receipt of trade at Verizon. Your smartphone purchase must remain

active on device payment agreement for 24 months to receive credits.

If you cancel service, or if device payment agreement is paid off or

transferred, promotional credits will stop. Traded device must be in good

working and cosmetic condition to receive credits.

Return Policy

You may return or exchange wireless devices and accessories within 30 days of purchase. A restocking fee of \$50 applies to any return or exchange of a wireless device (excluding Hawaii). If you purchased your device from a non-Verizon owned retail location (authorized retailer), you should review that location's return policy regarding their acceptance of device returns.

Device Promotion

You'll see your monthly promo credit in 1-2 billing cycles. If your credit takes 2 cycles to appear, you'll see the credit for the first cycle on your second bill, in addition to that month's credit. Only one promotion per line. Line(s) must remain active, on an eligible plan and in good standing to receive promotional value. The credits will end at the end of your promotional term or when you cancel, transfer or upgrade this line. If your promo credits are associated with a trade-in, you'll lose your credits when you pay off your device payment agreement (DPA) before your trade-in device is received and the device you traded in must be in good working and cosmetic condition to receive credits. If you purchased your device on a DPA with an offer to Buy One device, and Get One device at a discount (or Free), then credits will also end when the DPA balance is fully paid.

Taxes and surcharges

Taxes and surcharges can add 10% to 44% to your monthly access and usage charges, including these Verizon Wireless monthly surcharges: Monthly Federal Universal Service Charge on interstate & international telecom charges (varies quarterly based on FCC rate): 25.2% per line. Regulatory (\$.16 per voice line; \$.02 per data-only line); Administrative (\$1.95 per voice line; \$.06 per data-only line).
