Agreements (View full agreement at vzw.com/myverizon)

Customer agreement

I have read and agree to the Verizon Wireless Customer Agreement and Verizon Privacy Policy, including settlement of dispute by arbitration instead of jury trial, as well as the terms of my plan and any optional services I have agreed to purchase. If you used a credit/debit card on your transaction Verizon may save this card and bill it for any remaining past-due balances on this Verizon account in the event that the account is closed but has a continuing unpaid balance.

Device payment agreement

Notice to Buyer: This is a Retail Installment Sale Agreement(s) /Security Agreement(s), not a lease. Do not accept if it contains spaces. You have a right to a copy of this Agreement(s), keep it to protect your rights. You may pay off the full amount anytime. Please review the entire Agreement(s), including the additional Notice to Buyer provisions before accepting. I authorize Verizon to obtain my credit report information in connection with this order. I understand that this check will appear on my credit report as a soft inquiry and will not impact my credit.

Device trade-in

In some states, recycle credit reduces the tax base.

Amount tendered:\$0.00/This Payment:\$0.00

Trade-in device transactions are final and devices cannot be returned.

If you received promo value when trading in a device and/or instant device savings, you will be charged for that value if you do not maintain active service for three billing cycles.

Verizon will also adjust any promotional Trade-in value if you return or exchange your promotional device for an ineligible device.

Promotional trade in credits issued over 36 months and will appear in 1-2 bill cycles after receipt of trade at Verizon. Your smartphone purchase must remain active on device payment agreement for 36

months to receive credits.

If you cancel service, or if device payment agreement is paid off or transferred, promotional credits will stop. Traded device must be in good working and cosmetic condition to receive credits.

Return Policy

You may return or exchange wireless devices and accessories within 30 days of purchase. A restocking fee of \$50 applies to any return or exchange of a wireless device (excluding Hawaii). If you purchased your device from a non-Verizon owned retail location (authorized retailer), you should review that location's return policy regarding their acceptance of device returns. See [verizon.com/support/return-policy/](https://www.verizon.com/support/return-policy/) for complete details.

Taxes, Surcharges and Fees

We use your service address for each wireless service line to determine how we bill taxes, other governmental fees, and Verizon surcharges (which are Verizon's charges, not taxes). As of May 5, 2022, for service other than 5G Home and LTE Home (which are not subject to these charges), these charges can add between 9% and 42% to your standard monthly access and other charges, and may include a Federal Universal Service Charge (23.8% of the interstate and international telecom charges; varies quarterly based on FCC rate), Regulatory Charge (16 cents per voice line, 2 cents per data-only line) and Administrative and Telco Recovery Charge (effective June 23, 2022, \$3.30 per voice line, 6 cents per data-only line). Taxes, other governmental charges, and Verizon surcharges are subject to change. For more details on these charges, call 1-888-684-1888.
