In some states, recycle credit reduces the tax base. The Taxes or fees on your purchase were based on a price of: \$1,034.99  
Amount tendered:\$0.00/This Payment:\$0.00

Trade-in device transactions are final and devices cannot be returned.

If you received promo value when trading in a device and/or instant device savings, you will be charged for that value if you do not maintain active service for three billing cycles.

If you cancel service, or if device payment agreement is paid off or transferred, promotional credits will stop. Traded device must be in good working and cosmetic condition to receive credits.
