on your purchase were based on a price of: \$ 1646.69

Amount tendered : \$0.00/ This payment : \$0.00

Trade-in device transactions are final and devices cannot be returned. If you received promo value when trading in a device and or instant device savings, you will be charged for that value if you do not maintain active service for three billing cycles.

Verizon will also adjust any promotional Trade-in value if you return or exchange your promotional device for an ineligible device. Promotional trade in credits issued over 24 months and will appear in 1-2 bill cycles after receipt of trade at Verizon. Your smartphone purchase must remain active on device payment agreement for 24 months to receive credits. If you cancel service, or if device payment agreement is paid off or transferred, promotional credits will stop. Traded device must be in good working and cosmetic condition to receive credits.
