Customer agreement

I have read and agree to the Verizon Wireless Customer Agreement and Verizon Privacy Policy, including settlement of dispute by arbitration instead of jury trial, as well as the terms of my plan and any optional services I have agreed to purchase. If you used a credit/debit card on your transaction Verizon may save this card and bill it for any remaining past-due balances on this Verizon account in the event that the account is closed but has a continuing unpaid balance.

Device trade-in

In some states, recycle credit reduces the tax base.

Amount tendered: \$0.00/ This payment: \$0.00

Trade-in device transactions are final and devices cannot be returned. If you received promo value when trading in a device and or instant device savings, you will be charged for that value if you do not maintain active service for three billing cycles.

Verizon will also adjust any promotional Trade-in value if you return or exchange your promotional device for an ineligible device. Promotional trade in credits issued over 36 months and will appear in 1-2 bill cycles after receipt of trade at Verizon. Your smartphone purchase must remain active on device payment agreement for 36 months to receive credits. If you cancel service, or if device payment agreement is paid off or transferred, promotional credits will stop. Traded device must be in good working and cosmetic condition to receive credits.

Return Policy

You may return or exchange wireless devices and accessories within 30 days of purchase. A restocking fee of \$50 applies to any return or exchange of a wireless device (excluding Hawaii). If you purchased your device from a non-Verizon owned retail location (authorized retailer), you should review that location's return policy regarding their acceptance of device returns.

Taxes and surcharges

Taxes and surcharges can add 10% to 44% to your monthly access and usage charges, including these Verizon Wireless monthly surcharges: Monthly Federal Universal Service Charge on interstate & international telecom charges (varies quarterly based on FCC rate): 33.0% per line. Regulatory (\$.16 per voice line; \$.02 per data-only line); Administrative and Telco Recovery Charge (\$3.30 per voice line; \$.06 per data-only line).
