Customer agreement

I have read and agree to the Verizon Wireless Customer Agreement and Verizon Privacy Policy, including settlement of dispute by arbitration instead of jury trial, as well as the terms of my plan and any optional services I have agreed to purchase.

Device payment agreement

Notice to Buyer: This is a Retail Installment Sale Agreement(s)/Security Agreement(s), not a lease. Do not accept if it contains spaces. You have a right to a copy of this Agreement(s), keep it to protect your rights. You may pay off the full amount anytime. Please review the entire Agreement(s), including the additional Notice to Buyer provisions before accepting. I authorize Verizon to obtain my credit report information in connection with this order. I understand that this check will appear on my credit report as a soft inquiry and will not impact my credit.

Signature

By signing below I accept the agreements above

Device trade-in

In some states, recycle credit reduces the tax base. The Taxes or fees on your purchase were based on a price of:
Amount tendered : \$0.00/ This payment : \$0.00

Trade-in device transactions are final and devices cannot be returned.

Trade-in credit(s) based on **market value** will be issued in accordance with what is presented at the time of trade-in submission. Final value is confirmed after Verizon receives the device(s) and validates make/model, eligibility, & condition. If I am an instant credit-eligible customer, we apply this value towards your device transaction; if any trade-in credit remains, the balance will be applied as a one time account credit. If instant credit is not presented at the time of your trade-in submission, trade-in credit(s) will be issued within two (2) weeks after Verizon receives your device(s). Trade-in credit payment options (if applicable) will be presented at the time of Trade-in submission. If applicable, Verizon e-Gift card (**or other payment option if presented**) is issued in the name of the person identified in the trade-in order submission and emailed to the address provided. For more information on gift cards, visit [Verizon Gift Card Terms & Conditions](#). If I am also eligible for trade-in credits based on promo value, the market value of my trade-in will be included in the promo value total and be applied in accordance with the applicable promo. In the event I am no longer eligible for trade-in credits based on promo value, I will still receive the market value for my trade-in, less any promo value credits already applied.

Trade-in credit(s) based on **promo value** will be applied, within 1 - 2 bill cycles. Final value is confirmed after Verizon receives the device(s) and validates make/model, eligibility & condition, in accordance with the applicable promotion, (i.e, a recurring bill credit on my Verizon account for the number of months specified in the applicable promotion, a one (1) time bill credit on my Verizon account or a Verizon e-Gift card). **Trade-in credit (s)** based on **promo value** are subject to reversal if I don't comply with the **Special Rules**.

For the full list of Trade-in Terms & Conditions, visit [Trade-in Terms and Conditions, including the Special Rules](#).

Return policy

You may return or exchange wireless devices and accessories within 30 days of purchase. Gift cards are not eligible for return or exchange, except as required by law. A restocking fee of \$50 applies to any return or exchange of a wireless device (excluding Hawaii). You may exchange your device one time. For Buy One, Get One or similar offers, both items must be returned. See [verizonwireless.com/returnpolicy](#) for complete details.

Device promotion

You'll see your monthly promo credit in 1-2 billing cycles. If your credit takes 2 cycles to appear, you'll see the credit for the first cycle on your second bill, in addition to that month's credit. Only one promotion per line. Line(s) must remain active, on an eligible plan and in good standing to receive promotional value. The credits will end at the end of your promotional term or when you cancel, transfer or upgrade this line. If your promo credits are associated with a trade-in, you'll lose your credits when you pay off your device payment agreement (DPA) before your trade-in device is received and the device you traded in must be in good working and cosmetic condition to receive credits. If you purchased your device on a DPA with an offer to Buy One device, and Get One device at a discount (or Free), then credits will also end when the DPA balance is fully paid.

Verizon savings center

E-waste tax disclaimer

Electronic waste should be recycled or disposed of properly. Contact [www.in.gov/recycle/](#) or call 800-988-7901 for information.

Taxes and surcharges

We use your service address for each wireless service line to determine how we bill taxes, other governmental charges, and Verizon surcharges (which are Verizon's charges, not taxes). As of April 10, 2023, for service other than 5G Home and LTE Home (which are not subject to these charges), these charges can add between 12% and 47% to your standard monthly access and other charges, and may include a Federal Universal Service Charge (29.0% of the interstate and international telecom charges; varies quarterly based on FCC rate), Regulatory Charge (9 cents per voice line, 2 cents per data-only line) and Administrative and Telco Recovery Charge (\$3.30 per voice line, \$1.40 per data-only line). Taxes, other governmental charges, and Verizon surcharges are subject to change. For more details on these charges, call 1-888-684-1888. Handset, equipment and accessories sold by Verizon Wireless Network Procurement, LP.
