Additional information

Device trade-in

In some states, recycle credit reduces the tax base. The Taxes or fees on your purchase were based on a price of **Amount tendered: \$0.00/This payment: \$0.00**

Trade-in device transactions are final and devices cannot be returned.

Trade-in credit(s) based on **market value** will be issued in accordance with what is presented at the time of trade-in submission. Final value is confirmed after Verizon receives the device(s) and validates make/model, eligibility, & condition. If I am an instant credit-eligible customer, we apply this value towards your device transaction; if any trade-in credit remains, the balance will be applied as a one time account credit. If instant credit is not presented at the time of your trade-in submission, trade-in credit(s) will be issued within two (2) weeks after Verizon receives your device(s). Trade-in credit payment options (if applicable) will be presented at the time of Trade-in submission. If applicable, Verizon e-Gift card (**or other payment option if presented**) is issued in the name of the person identified in the trade-in order submission and emailed to the address provided. For more information on gift cards, visit [Verizon Gift Card Terms & Conditions](#). If I am also eligible for trade-in credits based on promo value, the market value of my trade-in will be included in the promo value total and be applied in accordance with the applicable promo. In the event I am no longer eligible for trade-in credits based on promo value, I will still receive the market value for my trade-in, less any promo value credits already applied.

Trade-in credit(s) based on **promo value** will be applied, within 1 - 2 bill cycles. Final value is confirmed after Verizon receives the device(s) and validates make /model, eligibility & condition, in accordance with the applicable promotion, (i.e. a recurring bill credit on my Verizon account for the number of months specified in the applicable promotion, a one (1) time bill credit on my Verizon account or a Verizon e-Gift card). **Trade-in credit(s)** based on **promo value** are subject to reversal if I don't comply with the **Special Rules**.

For the full list of Trade-in Terms & Conditions, visit [Trade-in Terms and Conditions, including the Special Rules](#).

Taxes and surcharges

We use your service address for each wireless service line to determine how we bill taxes, other governmental charges, and Verizon surcharges (which are Verizon's charges, not taxes). As of July 1, 2024, for service other than 5G Home and LTE Home (which are not subject to these charges), these charges can add between 13% and 48% to your standard monthly access and other charges, and may include a Federal Universal Service Charge (34.4% of the interstate and international telecom charges; varies quarterly based on FCC rate), Regulatory Charge (16 cents per voice line, 2 cents per data-only line) and Administrative and Telco Recovery Charge (\$3.30 per voice line, \$1.40 per data-only line). Taxes, other governmental charges, and Verizon surcharges are subject to change. For more details on these charges, call 1-888-684-1888

Ewaste tax disclaimer

Electronic waste should be recycled or disposed of properly. Contact www.ct.gov/deep/site/default.asp or 888-424-4193 for information.

Return policy

You may return or exchange wireless devices and accessories within 30 days of purchase. Gift cards are not eligible for return or exchange, except as required by law. A restocking fee of \$50 applies to any return or exchange of a wireless device (excluding Hawaii). You may exchange your device one time. For Buy One, Get One or similar offers, both items must be returned. See verizonwireless.com/returnpolicy for complete details.

Decline equipment protection

I understand that by declining equipment protection, if my device is lost, stolen, damaged or experiences a post-warranty defect, I must pay any balance on my device payment agreement (if applicable). If I choose to replace it with a new device, I may be required to pay full retail price, which may exceed \$1,000.00. I understand that I only have 30 days to enroll in coverage after my device activation.

Verizon Accessory Bundle Discount

Your purchase includes an accessory bundle promotional discount. Should you choose to return or exchange any of the accessories included in that bundle, the discount may no longer apply and will be removed from your transaction.
