Customer agreement

I have read and agree to the Verizon Wireless Customer Agreement and Verizon Privacy Policy, including settlement of dispute by arbitration instead of jury trial, as well as the terms of my plan and any optional services I have agreed to purchase.

Device payment agreement

Notice to Buyer: This is a retail installment sale agreement, not a lease. Do not accept if it contains blank spaces. You have a right to a copy of this agreement; keep it to protect your rights. You may pay off the full amount any time. Please review the entire agreement, including the additional Notice to Buyer provisions, before accepting.

Device trade-in

In some states, recycle credit reduces the tax base.

Amount tendered:\$0.00/This Payment:\$0.00

Trade-in device transactions are final and devices cannot be returned.

If you received promo value when trading in a device and/or instant device savings, you will be charged for that value if you do not maintain active service for three billing cycles.

Verizon will also adjust any promotional Trade-in value if you return or exchange your promotional device for an ineligible device.

Promotional trade in credits issued over 24 months and will appear in 1-2 bill cycles after receipt of trade at Verizon. Your smartphone purchase must remain active on device payment agreement for 24 months to receive credits.

If you cancel service, or if device payment agreement is paid off or transferred, promotional credits will stop. Traded device must be in good working and cosmetic condition to receive credits.

Return Policy

You may return or exchange wireless devices and accessories within 30 days of purchase. A restocking fee of \$50 applies to any return or exchange of a wireless device (excluding Hawaii). If you purchased your device from a non-Verizon owned retail location (authorized retailer), you should review that location's return policy regarding their acceptance of device returns. See verizon.com/support/return-policy/ for complete details.

Ewaste tax disclaimer

Electronic waste should be recycled or disposed of properly. Contact <http://www.ecyclewashington.org> or 1-800-RECYCLE for information.
