Stuff you should know:

What will I see on my credit card statement? You will see a charge on your statement from OtterBox. (You may see an authorization transaction on your statement on pre-orders or orders where there is a delay in shipping — like back orders. Don't worry, this is not the actual charge. It only temporarily "reserves" the funds until your order is on its way. *Your account is only charged when your order ships.*)

When will it ship?

- Your order generally dispatches within 2-3 days when the product is in stock
- When you pre-order, it generally dispatches within 2 days of product arrival in stock
- When you order multiple products in one pre-order, they dispatch as one shipment when all products arrive in stock
- Standard delivery takes approximately 7-10 working days
