# Saving pictures and videos to your camera roll

[Follow](#)

Saving pictures and videos to your phone is a simple process. Please view the information below for step-by-step instructions (choose which tab relates to your device).

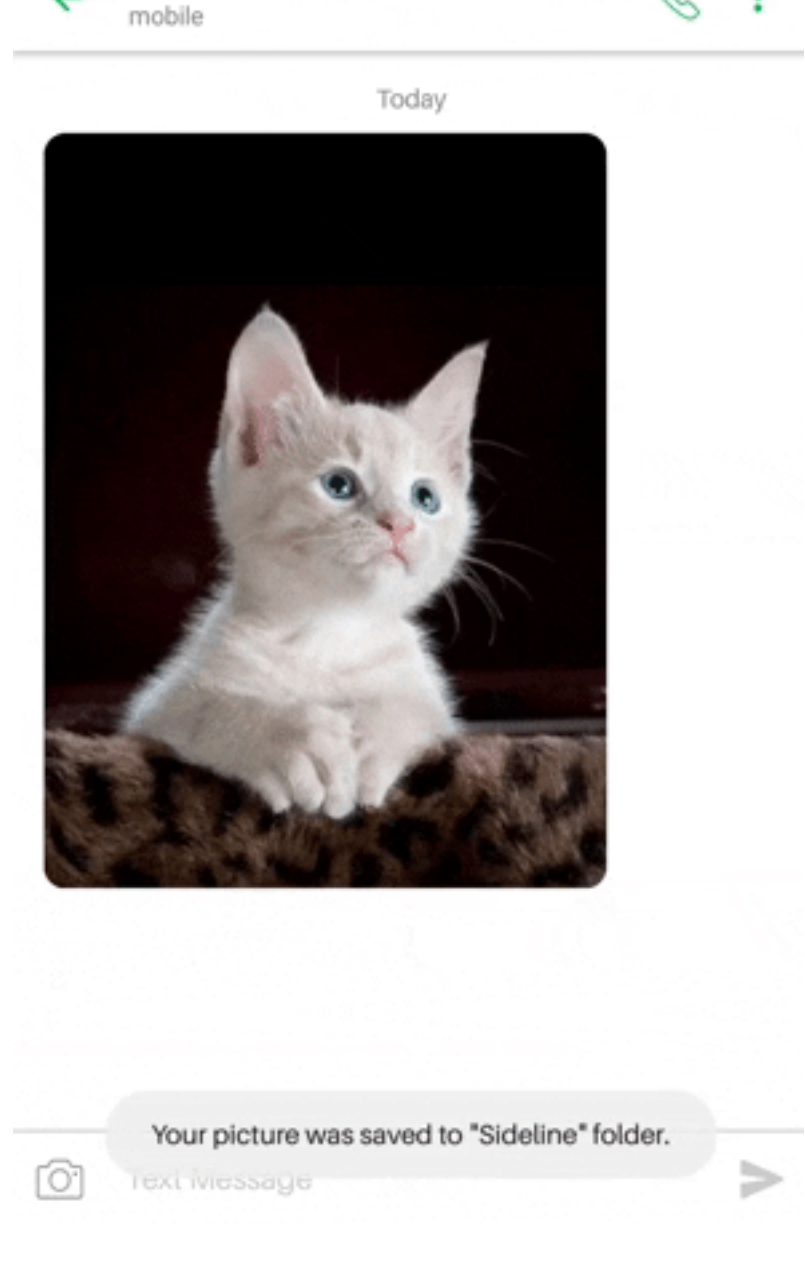

- Android**
- iOS**

### To save media on Android:

1. Tap the picture or video and **hold**
2. Tap **'Save'**
3. In the **Gallery app**, open the **Sideline folder** to locate the saved photo/video

### An alternative way to save:

1. Tap the picture (to open in full view)
2. Tap the **three dots** on the upper right corner of the screen
3. Tap **'Save'**
4. In the **Gallery app**, open the **Sideline folder** to locate the saved photo/video
